Total: 127

\* A variable topics course which may be repeated for credit up to six hours.

Note: German courses in curriculum have prerequisites which do not count towards degree program requirements.

- 1 Students selecting Mathematics as the Secondary Teaching Field take MATH 270 and 301 and fulfill Secondary Teaching Area electives with requirements listed. Others take MATH 105 and a 3-hour elective (MATH 201, 206, 210, or STAT 214).
- 2 See requirements for Secondary Teaching Areas at the end of this section. Other areas of certification may be added; contact the College of Education Office of Student Services for details
- 3 9 hours of science, which must include at least 3 hours of Biology and 3 hours of CHEM, GEOL, or PHYS. Six of the 9 hours must be in the same science; credit cannot be awarded for both GEOL 225 and GEOL 105.
- 4 Choose from ANTH, CJUS, ECON, GEOG, POLS, PSYC or SOCI
